

AHCAP Members Save on Every LTL Freight Shipment Through PartnerShip!

PartnerShip® and AHCAP are pleased and excited to offer increased savings on less-than-truckload (LTL) freight shipping to all AHCAP members. PartnerShip, the LTL freight management provider of AHCAP, works with nationally known carriers every day to provide **unparalleled customer service and significant savings on every shipment you send and receive**. Since 1989, PartnerShip has been negotiating substantial carrier discounts on behalf of hundreds of associations and over 17,000 businesses nationwide.

The customized PartnerShip LTL freight management program gives AHCAP members the advantage of a comprehensive LTL freight option for shipments over 200 lbs., including a full suite of individualized services, such as:

- **Savings of at least 70%** (discounts may increase based on volume) with the country's most experienced and most reliable carriers, including UPS Freight®, Con-way Freight, YRC Freight, and many regional carriers
- **A dedicated PartnerShip representative** for all your shipping needs
- **Easy access to PartnerShip.com** to compare rates, view transit times, track shipments, and pay invoices
- **Consolidated, weekly invoices** from PartnerShip, saving you administrative time usually spent auditing and paying invoices to multiple carriers directly
- **Maximum carrier liability coverage** of \$25/pound on every shipment is among the best in the industry
- **Inbound Shipping Management tools** to save you money on the shipments you *receive* from your suppliers
