

AHCAP

Webinar Sponsorship

The AHCAP Webinar Sponsorship Program is designed to help us provide the best educational opportunities for our members.

Each dollar of support defrays the overhead costs it takes to produce the webinars, which allows the webinars to be offered at no cost to the members.

Benefits

Webinar sponsors will receive:

- Sponsor logo on blast emails
- Webinar attendance list
- Sponsor logo on website
- Sponsor logo recognition on all webinar promotional materials
- A 50 word announcement by sponsor to be read by the moderator at the beginning of webinar.
(Must be pre-approved by AHCAP headquarters)

Cost

This is a unique opportunity to make your company better known within the industry! Each program will have a maximum of two sponsors (first-come, first- served) at \$500 each.
